Name: _____ **Phone:** _____

I understand that volunteers are not to be considered as employees for any purpose. Volunteers are responsible for carrying their own insurance to provide coverage for any accidents occurring during volunteers activities. I agree to hold the Friends of the Monterey Pass Battlefield, Inc. and its officers, directors, employees, representatives, affiliates, attorneys, successors, and assigns from any liability, loss, expense, or claim for injury or damages arising from my participation in this program.

Due to security, all applicants are subject to a background check and will be interviewed by the museum director or a board member of the Friends of the Monterey Pass Battlefield, Inc. All volunteers must complete a eight hour workshop and training session. The workshop will include visitor services, historic weapons policy, uniform standards, interpretive standards and history of the battle of Monterey Pass.

The Monterey Pass Battlefield Park & Museum reserves the right to decline an application based upon the museum's current needs and resources.

Volunteers are also asked to provide their own clothing such as tan kaki pants, polo shirt or button down dress shirt and name badge. Blue shirts for docents and hunter/forest green shirts for battlefield interpreters.

Applicant Signature: _____ **Date:** _____

Benefits of Volunteering

By volunteering, you will help the Monterey Pass Battlefield Park and Museum provide greater access to its collections, learn new skills, gain professional contacts, meet new people, and make it possible for staff to pursue the goals and mission of the Monterey Pass Battlefield.
