Across the Pond plays traditional and contemporary Celtic folk music from Ireland and Scotland, as well as Mountain music from the Appalachian Mountain region in the US. A musical blend of fiddle, guitar, mandolin, whistles, and bodhrán make for perfect entertainment. By adding a dash of modern influences without straying too far from traditional roots Across the Pond sets itself apart from other trad bands.

Awards and recognitions, combined with repeat booking, and a loyal fan base attest to the musicianship and entertainment value of the performances.
